Upcoming Learning Opportunity

Join staff from NeighborWorks Montana, Montana Housing, HUD, USDA RD, and our local partner network to hear about secondary and non-traditional mortgage opportunities to help your borrowers achieve their goals!

Each entity will give a short introduction of who they are and what products they offer, we will enjoy lunch together and you will have an opportunity to ask questions.

Please RSVP using the link for your area below so we can have an accurate headcount for materials and food. The May registration links will be available soon.
